RUNMAN (3) made a winning debut last October scoring by 2.75L a 1600m novice event at Salisbury where form has worked out. Represents a leading stable and this looks a good opportunity on return. Top pick. **VITALITY (9)** ran well first up recording a 3L third contesting a 1600m maiden at Southwell AW four weeks ago. Likely to improve now tackling turf. Makes appeal. **HATTIE'S COMET (6)** could feature on debut being a son of Starman from Hateya running for a local trainer. Worth a market check. **GET OUTTA HERE (5)** struggled providing first start in France before a 7L seventh attempting a 1600m maiden at Kempton AW three weeks ago. Next best.

MOUNT RUAPEHU (1) is racing consistently with two wins and two placed efforts past six starts including placing third in a Wolverhampton handicap. Holds winning course and distance form. Rates a major player. DR ALI (8) is also starting to race consistently with two wins and a placed effort last four attempts including winning at Wolverhampton scoring by 0.5L five weeks ago. Might gain a double. SOUTH SHORE (6) failed to place in five most recent appearances. Needs to improve on a fourth in a Wolverhampton handicap last time. EAST TYRONE (9) makes some attraction towards bottom of the weights.

CILL MOCHEALOG (7) makes some attraction from bottom of the weights. Narrowly came out on top of a Wolverhampton handicap by a neck and holding winning course and distance form may gain a double. DAPPER GEE GEE (5) secured a good 1.25L success attempting a course and distance handicap two starts back. Failed to follow up when twelfth at Doncaster. Could bounce back. SHAMACID (4) provided a first top-three effort this year losing out by a neck when third at Kempton Park AW last month. Expected to challenge. PHOENIX OF DREAMS (3) is quickly turned out aiming to improve on a seventh at Newcastle AW.
