Interesting to see how much pace there is with this small field. MAGNETUDE (1) grew in confidence on every start last season. Produced a career best when third at Southwell and tackling handicaps at a realistic level could prove hard to catch. GAELIC APPROACH (3) ran with credit providing his second start however went backwards at Nottingham. Warrants plenty of respect racing for the Charlie Johnston stable making handicap debut. FIVE MOONS (2) might show progress in what looks a more realistic assignment. MAGICIAN OF RIGA (4) was expected to run better than the fifth place finish here two weeks ago. Worth giving another go.

DESIDERATA (5) is drawn wide which would be a concern, May leave behind a disappointing sixth place finish a fortnight ago. Only has one win in the career however proving consistent this winter could be hard to beat. LHEBAYEB (1) turned around a poor streak of form to get his head back in front here last week winning by 1L. Warrants thought as drawn to strike and might go close. NUTCRACKER (7) hinted a level of ability that would see him go close here and now up in trip is worth giving another chance. SOLD OUT (10) hasn't been performing too badly. Once again can give a bold sight racing from stall three.

FLAT ALL WEATHER STANDARD Participants #10

CRIMSON RAMBLER (1) bids for a hat-trick after consecutive wins here including last week over course and distance. That was a good performance winning by 1L and is hard to fault despite the penalty. KARAKULA DANCER (2) could prove a big danger to the main selection off the back of another good performance twelve days ago at Southwell. This might suit and rates highly. CROWN THE FUTURE (5) warrants a market check making stable debut with the latest effort at Chelmsford not without it's positives. SORTED (9) showed more promise last time when fourth. Drawn nicely in stall two and is worth giving another chance.
