CAPPELLINO (3) is building towards a win with placings at his last two runs, the latest effort a third over 1000m at this track when beaten 1.75 lengths. Has a high cruising speed. Sure to be in the finish. AXIS POWER (1) is racing well and is close to a win, the latest effort a solid third at this track over 1000m. Should be handy in the run. Finds the right race this time and can discover winning form. LUNCH MONEY (6) hasn't been able to break through for an extended period, the latest effort a fifth over 1000m at this track. Likely improver with strong prospects. KAAPSE KLOPSE (5) saluted over 1200m at this track at his most recent appearance on February 6. Worth plenty of thought.

CATCH A PENNY (8) did well to score at this track two runs ago. Decent effort last time out when second over 1000m at this track, beaten a neck. The engagement of Chad Little is a positive move. Well placed and there is no reason she cannot make amends. DONQUERARI (4) had been rock-solid with two placings in a row before finishing ninth over 1000m at Greyville last start. Likely to go forward from a nice draw. Will prove tough to beat. MILITARY COMMAND (2) was in the money two starts back at Scottsville but was unable to repeat the effort last time when tenth, beaten 10 lengths, at Scottsville over 1100m. The engagement of Craig Zackey is a positive move. Well placed and there is no reason he cannot find winning ways. MIGHTY ZAMBEZI (5) registered a strong win two runs ago then turned in a nice run last time out when fourth over 1200m at Greyville, beaten 3 lengths. Nicely placed to figure in the finish.
